

VILLAGE OF BEAVERDAM
ALLEN COUNTY, OHIO

Ordinance 2017-10

Passed March 21, 2017

ORDINANCE AUTHORIZING TEMPORARY TERMINATION
OF VILLAGE WATER AND GARBAGE SERVICES

WHEREAS, it has come to the attention of the Village Council, that in certain situations properties may not be inhabited or may be vacant for sixty (60) days or more and

WHEREAS, in these situations it would be advantageous for the owner or resident of the property to be able to have water and garbage service temporarily terminated.

BE IT THEREFORE ORDANIED by the Council of the Village of Beaverdam, at least a majority thereof concurring that:

1. That the owner of a residential unit, or the resident, if the bill is in the resident's name, may by written request delivered to the Village Fiscal Officer, suspend water and garbage service to the residential unit.
2. Service must be suspended for a minimum of two full billing cycles.
3. All suspensions of service must commence with the start of a billing cycle and end with the close of a billing cycle.
4. No property for which service has been suspended may be occupied during the time services are suspended.
5. The regular disconnect and re-connection fees for water shall not apply to the termination of service and the re-establishment of service.

This Ordinance shall become effective at the earliest time provided by law.

The Fiscal Officer is directed to give notice of the adoption of the new Ordinance by publication of the full ordinance at five (5) public places in the Village as previously established by ordinance.
